**1            “A Bill to Remove the Eligibility Requirement of Student Body Treasurer”**

2    Whereas:     The Election Code currently requires prospective candidates for Student  
3                    Body Treasurer to have completed 3 credit hours of an accounting course,  
4                    and

5    Whereas:     This requirement greatly limits the diversity of candidates eligible to run,  
6                    and

7    Whereas:     The current duties and responsibilities of the Student Body Treasurer do  
8                    not require knowledge in accounting coursework, and

9    Whereas:     SGA Advisors oversee the SGA budget and provide any extensive  
10                  accounting knowledge that may be necessary, and

11   Whereas:     Eliminating this requirement will foster a more competitive election by  
12                  allowing more students the opportunity to run for the position, therefore

13   Let it be enacted by the House of Student Representatives at Texas Christian University:

14            (1)     The criterion of the Student Body Treasurer to have completed 3 hours of  
15                  accounting coursework be eliminated from the SGA Election Code and  
16                  Handbook under Eligibility requirements for Student Body Officer  
17                  Elections.
